

EDITORIAL

Dear Readers,

We have just issued a New Facta Universitatis *Series* Medicine and Biology. Herein we present you many new, exciting articles, expecting your feedback.

I use this opportunity to wish you happy, healthy, peaceful and prosperous New Year. We look forward to making 2017 a successful year together.

"Reading makes a full man; conference a ready man; and writing an exact man." - Francis Bacon (1561-1626).

Consider to publish in Facta in 2017!

A handwritten signature in blue ink that reads "G. Sarangc". The signature is fluid and cursive.
